The Vista Series of built-in electric fireplaces have been designed to give you maximum in flexibility in selecting a unit that perfectly suits your needs.

This stunning line of built-in electric fireplaces offers 50" - 72" length units. These units are also available in 12" or 6-3/4" (7") depths and dual rated for indoor or outdoor use. You choose what works best for your residential or commercial application.

Our units give you multiple length and depth options as well as giving you the ability to install your fireplace with your choice of finishing material built right to the glass for a "clean face" design or using the provided black metal surround. Your choice - your design!

Featuring the vibrant Fire & Ice flame set, with just a click of your remote you can easily change the flame color from blue to purple, violet, orange or yellow.
