

Majestic Cast Iron Gas Stoves

COMFORT MEETS CONVENIENCE

Add the traditional look and warmth of a stove to any room with a gas stove from Majestic. These direct vent stoves combine the heritage and appeal of fine craftsmanship with the convenience of contemporary technology to ensure optimal functionality and timeless beauty.

DIRECT VENT STOVES

Designed with the latest technology, this stove proves to be a clean-burning, efficient heat source and a complement to any décor. Classic styling combined with the warmth and ambiance of a glowing fire make these direct vent gas stoves the perfect addition to your space. With the benefit of remote operation and the power of up to 28,000 BTUs, the Concorde direct vent stove provides both comfort and convenience.

ALL OF OUR MAJESTIC GAS STOVES OFFER THESE GREAT FEATURES INCLUDING:

CAST IRON CONSTRUCTION

Nothing endures like cast iron. Used for years, cast iron ensures the most durable, beautiful stove available today.

OPTIONS TO SUIT YOUR LIFE

Available in two classic colors, you can add the warmth of fire to your home in just a few hours. Whether you use natural or propane gas, the quality and efficiency of the Concorde stove is yours to enjoy.

CONVENIENCE

Available in millivolt control with remote operation, you can operate the unit from the comfort of your couch. Winter power outages are no longer a concern—Concorde gas stoves will heat your home, even when the electricity goes out.

SAFETY FIRST

All of our direct vent models have a certified safety barrier available to cover the hot glass surface.
